

April 2017 NEWSLETTER

IMPORTANT DATES

April 5 – 2 hour late start

April 13 – Scholastic book order due (last one this year)

April 14 – No school (Good Friday)

April 21 - Arboretum field trip (Kindergarten only)

April 27 – Family Discoveries Night

Please join us on April 27th for our final Family Discoveries Night, of the year. We will be joined by engineers from 3M who will be presenting some very cool science experiments! As always we will begin the evening with a delicious meal prepared by our wonderful kitchen staff.

We (room 313) are planning a planting day. If you like to garden or would like to learn more about it please join us. Our tentative plan is for a day during the last week of April. We are hoping to have one or more Master Gardeners here to help us with planting and to answer questions. This will be a morning activity so all students will be able to participate. As soon as we have a date we will let you know.

Take a look at our page on the NDMA website. See pictures of work your child is doing inside and outside of the classroom.
