     |             |            | 204     |

2. Safety Meeting
   - I hosted a conversation for community leaders on the topic of safety Tuesday, February 20th. 23 people showed up, representing Hutchinson Police Department, McLeod County Social Services, McLeod County Public Safety, McLeod County Sheriff’s Department, Hutchinson Public Schools, Parochial Schools, Several Mental Health clinics, and Several Churches. We discussed the following four points during the hour-and-a-half meeting (and the conversation that followed well beyond the meeting): 1) What are we (as a community) doing to address the mental health needs represented by the students and families we serve? 2) What collaborative efforts are currently in place regarding serving the needs of children and families? 3) What – explicitly – are we doing to address safety in our schools? 4) What are we missing?
The response was such that the group (and a few more) will meet again Tuesday, March 20th at 8 a.m. in our conference room. Tomorrow’s questions include: 1) Did our last conversation result in constructive conversation in your setting/workplace?; 2) Did our last conversation result in action on your part to implement something new or to implement something in a different way? 3) Where can/should the spiritual and mental health supports in our communities intersect? 4) What can/should we be doing to engage families constructively in honest dialogue about their role in nurturing mental and spiritual health? 5) What are we missing? (Same question that was asked last time.)

3. Teacher Observations/Evaluations
   - I am a little better than halfway through the second round of teacher observations/evaluations. It has been more difficult than I imagined to complete all of them prior to Spring Break. Therefore, I will finish the remaining observations/evaluations the first week of April.
   - *Round three* will begin on schedule, the week of April 16th.

4. Grow Our Own
   - I represented New Discoveries Montessori Academy at two recent meetings (February 15th, and March 8th) sponsored by Southwest Initiative Foundation. Community leaders from the Hutchinson area discussed ways to meet the needs of children, youth and families. There was an article in the March 14th issue of the Hutchinson Leader that provides some detail of the March 8th meeting.

5. NDABC Update
   - No closing date yet; we are probably within 30 to 45 days of a closing date.
   - TRJR agreed to a 4.8 million dollar purchase price, rather than $5,000,050.00.
   - Chuck is working with USDA to complete their requirements
