Executive Director Report for NDMA’s Board of Directors – Dave Conrad, Monday, July 15, 2019

1. Building & Grounds Updates
   - We were able to separate our building permit applications into requests for two permits. This allowed the building inspector to approve a permit for the doorway and wall modifications a couple of weeks ago. All new doorways are cut, and old doorways have been framed in for walls.
   - We received a permit today for the bathroom project. We will commence work on the bathroom project as soon as tradespeople become available (they’ve been working at other sites while waiting for our permit to be approved).
   - Under the direction of project engineer, Sam Colvin, a crew of capable helpers – Tim Kinzler, Devin Kinzler, Gabri Erickson, (little) Sam Colvin, and Dave Conrad – have spent a couple mornings assembling the framework for the new greenhouse. We should complete the project in the next few days, and will move on to install a paver patio on the west end of the greenhouse, as part of our outdoor classroom.
   - Tim, Devin, Gabri and I weeded around the perimeter of the building last week, and installed new mulch all the way around.

2. Staffing Updates for 2019-20
   - We have two full-time teaching vacancies for 2019-20: one general education position for Elementary II – Walnut; one general education position for Erdkinder (new section of middle school). We have a second interview for a finalist for the EII vacancy tomorrow and will be scheduling a first-round interview for an Erdkinder candidate this week.
3. Quality Compensation (QComp) Annual Report
- We have had more applicants for our annual QComp Lead/Mentor positions than ever before: two for the *Special Education* Lead/Mentor position; two for the *Children’s House* Lead/Mentor position; one for the *Elementary I* Lead/Mentor position; two for the *Elementary II* Lead/Mentor position; and one for the *Erdkinder* Lead/mentor position. We will be selecting the five positions by the end of the week.
- For the first time in NDMA’s history, 100% of Teachers eligible for the evaluation salary augmentation through QComp qualified for the salary augmentation of $671.20.

4. Contract Renwal with ACNW
- Ms. Kinzler and I will begin the process of completing the tasks necessary to pursue contract renewal with Audubon Center of the North Woods. One element of this involves a site visit on December 3rd by an ACNW team. You will be invited to participate in this process when we have more details.

5. Planning for Back-to-School Meetings with Staff
- Planning is underway for Back-to-school meetings with staff. Administration has partnered with our Instructional Leadership Team (ILT) to design a process that is bent more towards learning and orientation, rather than jumping through (required) hoops, as we’ve done in the past. We will be providing links for employees to complete the required elements (e.g. blood-borne pathogens) prior to our back-to-school days, so that we can devote our on-site time to touring Montessori classrooms at every level, practicing Grace and Courtesy, Practical Life, components of the Responsive Classroom (like morning meetings), and playground and lunchroom protocol.
6. Post-New Discoveries Planning with Erdkinder Families

- Administration will be meeting with New Century Academy administration to discuss helping NDMA families constructively examine New Century Academy as a potential option for some of our students post-NDMA. We will do the same for other area options that offer 9th through 12th grade. This effort is based on parent requests. A handful of families have expressed a desire that we extend opportunities at NDMA to include a 9th through 12th grade option. We have said that we are not pursuing such an option at this time.

7. Enrollment for 2019-2020

   We currently have (34) students registered for our ESY Summer School program! Transportation is being coordinated (Labraaten vans). We will have (4) licensed staff and a few Teaching Partners (TBD).

2) Environmental Education/Focus on our environment
   I am working on completing our EE Survey for ACNW to be submitted by the end of this week.

   (Repeat) NOTE: We are in need of someone who can utilize our breakfast/lunch compost food as our local farmer is no longer available. If you know of anyone, please let me know.

3) Marketing/Fundraisers
   Due to lack of participants, we did not participate in the Lester Prairie. Our next (and final) parade is in August at Cokato. We can always use help if you'd like to hang with some fun people and get in a good walking workout!!!

   Dave and I will be submitting a Back-to-School article for the Hutchinson Leader.

   We continue to post employment ads for a licensed teacher in our E3 classroom and in our E2 classroom. If you know of anyone who has a teaching license and is looking for a great opportunity, encourage them to apply!

4) School Happenings
   On Thursday, June 27th from 6:30-8:00pm the PTO sponsored a NDMA Family Movie Night – Lego Movie 2. (30) students and their families attended this event where they enjoyed seeing their friends and classmates as well as eating ‘real’ movie popcorn from the State Theatre! Good event!
