March 26, 2020

Dear NDMA Family,

Warmer Weather. Next week's forecast would suggest that we might be enjoying warmer weather. Please consider leaving a cooler out for our couriers to place meals in if you are not going to be home at the time of meal delivery.

Learning Plans. We will post learning plans on our webpage tomorrow. The plans will be updated as necessary. You can expect materials and curriculum-related items to be delivered beginning Monday. The materials will correspond to the posted learning plans.

Distance Learning. As a reminder, when *Distance Learning* begins Monday, March 30th, we will continue to follow our school calendar. Because *Distance Learning* continues into April, for example, there will be no *Distance Learning* on Friday, April 10th (Good Friday) or Monday, April 13th (Easter Monday). We will send reminders/updates along the way as this continues to evolve.

Attendance. Beginning Monday, March 30th we are required to keep attendance records. Your responsibility will be to report to us if your child is ill, and unable to do their work for the day. You may report your child absent by calling the school office at 320-234-6362.

We are *grateful* for your patience and grace as we adjust to each new announcement and subsequent requirement related to COVID-19. We will continue to do our best to serve you well. We welcome your questions, whether we have an answer at the ready or not. For those who have reached out to say, "Thanks," please know we are appreciative.
